Final Bulletin 2026

## Farewell

It's with a touch of sadness that I have to announce we have officially reached the end of youth week. If you are staying on to play more bridge, we now transition to playing at the Rex as part of the Summer Festival of Bridge. I hope you've all had lots of fun and created some long-lasting friendships. It's been so pleasing to see several players from different states playing together. I hope you've all had a lot of fun and enjoy reminiscing over when you see photos in the remainder of this bulletin. We also hope you've learnt something more about bridge, although that's not necessary. And if you ever have any questions, there are plenty of people keen to chat bridge.

Here are the final results of Phase 1 (Butler) of the Australian Junior Selection:

## Crazy Pairs Ruling

One funny hand that occurred during the crazy pairs confusingly changed the order of rotation: South -> North -> East -> West. One player tried to capitalise on this when their partner made an insufficient bid and it was now their turn... they wanted to accept their partner's call!

Fortunately, our director was there with the ruling – the next opponent (not player) in rotation has the right of accepting. And when they didn't, the bid had to be made sufficient.

## One Final Hand (by Leigh Matheson)

With the final days of youth week transitioning to The Summer festival of bridge, youth players got to play with adult players in the adult events.

Aadhi Hariharan played with Jeremy Fraser-Hoskin in the Fixed Income Pairs. Not only is Jeremy a recent ex-youth player from New Zealand, he also won the event last year. Playing a complicated system in a pickup partnership, they were doing pretty well... until one fateful board they played against Sebastian Redin and Natalie Newman...

South	West	North	East
—	—	1C*	Pass
1D	Pass	1H	Pass
2H	2NT	Dble	All Pass

North's 1C opening showed 16+ points, any shape and South made a negative response. West decided to walk the dog and kept quiet for now. After North/South found a fit, West now backed in with a ridiculous-looking 2NT. North doubled (wouldn't you?) and East sensibly passed, leaving partner to get themselves out of their own mess. Only Seb was happy to play in this "mess".

The defence started with CA, CQ and CK, establishing a 7<sup>th</sup> trick for declarer. After North exited with a diamond, Seb ran all his winners reaching this end position (with North to discard):

Dlr: North	<i>Jeremy</i>	
E/W Vul	♠ AQ	
	♥ AQ	
	♦ —	
<i>Seb Redin</i>	♣ —	<i>Natalie</i>
♠ 7		♠ K85
♥ KT		♥ —
♦ —		♦ —
♣ —		♣ —
		<i>Aadhi</i>
	♠ JT	
	♥ 8	
	♦ —	
	♣ —	

It doesn't even matter what North discards. Seb led a spade next and Jeremy was forced to give him the ninth trick with one of the Major suit Kings.

2NTX making 8 tricks was worth +690 and 13 Imps against the datum.
