

How to use the Handviewer Link to review a hand, and the suggested bidding and play.

Click the Handviewer link (eg <https://tinyurl.com/MAY13-Board1>)

It will open up a window and look like this:

The screenshot shows the Bridge Base Handviewer interface. At the top left, a box contains the number '1' and a 'D' below it. The main area is divided into four quadrants for the players: North (Dummy), West, East, and South (Declarer). Each quadrant displays the player's name and their hand of cards. At the bottom, there is a control bar with buttons for 'Rewind', 'Previous', 'Next', 'Options', 'GIB', and 'Play'. The 'Next' button is highlighted. The South (Declarer) hand is currently selected, and the contract is shown as 4♠ S. The score is NS: 0 EW: 0.

Player	Hand
N Dummy	♠ 1095 ♥ AKQ6 ♦ J953 ♣ A4
W West	♠ K82 ♥ 75 ♦ 10762 ♣ QJ106
E East	♠ A3 ♥ J10982 ♦ 4 ♣ K7532
S Declarer	♠ QJ764 ♥ 43 ♦ AKQ8 ♣ 98

Contract: 4♠ S NS: 0 EW: 0

If you Click Souths name - "DECLARER" above the South cards, it will show the hand from Declarers point of view (hide the Defenders cards). Pressing it again shows all 4 hands.

Clicking **NEXT** will go through the play (**PREVIOUS** goes back one card or trick).

I have pre-loaded one suggested line of play that works. If the robots at your table defend differently, then you might be in a different situation.

In **OPTIONS** you can change the look of the deal. Or change whether to move forwards card by card, or trick by trick.

The **GIB** button shows you if the contract is making or not. For example, if Dummy plays any card, they can make the contract exactly (= means making), but the Six of Hearts means you will go down by one (Red is down, Green is making, or overtricks)

You have the option of pressing **PLAY** which allows you to control all 4 hands to see how an alternate choice would work out. You can click through a few tricks and press GIB to see if there was a successful way to win, or not.

You can't actually play the hand again, but you can see how the play might have gone.

No-Trumps Declarer Workshop

Friday May 28th, 2022

Here are the links from today's Workshop:
