ELIGIBILITY

General eligibility* is based on awards processed as officially released by the ABF in October 2022. Players must individually meet the eligibility criteria to compete in the events. This includes Team/Pair events where all players must be under the stated masterpoint range or age as per below.

Overseas players may enter Novice, Restricted and Intermediate events, however, they must quote their local registration number and be eligible to play in equivalent events in their own country.

Grand Slam players must state their rating when entering, eligibility includes under 54% for Novice, 56% and under for Restricted, and 59% and under for Intermediate events and 62% and under for the Under 1500 event.

A player may not have previously won two or more ABF events with the same masterpoint restriction, or higher, as the one entered. Notwithstanding, players who have already entered a restricted category at the time of winning their second such ABF event will be deemed eligible. Winners of events restricted by masterpoints cannot play in the identical event in subsequent years.
