ADVERTISING IN BULLETIN

Events Any ABF event and any QBA Gold Point event held prior to June 30th can have a free advertisement – size is the Editors prerogative. All other ABF events will be published in the Coming Events Calendar. Strict deadlines must be adhered to. Deadlines set by Editor with Tournament Organiser's approval.

ADVERTISEMENTS

Advertisements are \$300 a page. The editor has the prerogative to negotiate with prospective advertisers regarding possible columns to be published in the Bulletins for advertising.

ADVISORS

David Appleton, Jonathan Free and Shane Harrison

AIR CONDITIONING – PLAYER COMFORT

There are approximately two thousand players at the venue, ensuring the comfort of ALL players is a challenge.

Over time the organisers have noticed that there are areas where it is particularly cold due to air pockets coming from the air conditioner.

The room sometimes leaks from condensation due to the amount of air conditioning we are using.

What you **CAN** do to improve your personal comfort level:

- as advertised in all communication, please bring a jumper or something to keep you warm;
- we have a supply of pashminas and wraps so please just ask a caddy who will bring it to you - we do ask -that you return these to the caddy at end of the session.
- if it is obviously too cold for you and those around you, please ask the caddy to report the table number and section to Kim Ellaway who will bring her thermometer to see if it can be fixed or perhaps we can move the table.

Things you can do that will **NOT** improve your comfort level:

- discuss the issue with a Director or the Scoring Staff
- discuss it with the Recorder.

ALERTS - SUMMARY

PRE-ALERTS

List your unusual or complex treatments in the pre-alerts section of the system card. For instance – RCO 2s, Bergen raises, DONT Dbl vs 1NT, unusual carding (leading low from doubletons should be noted in the “leads” section of system card).

ANNOUNCEMENTS

Announce the number of clubs contained in a 1♣ opening and the HCP range of a 1NT opening. Those playing a strong club system just need to announce 1♣ as “Strong 16+”.

ALERTS DURING THE AUCTION

GOLD COAST CONGRESS INFORMATION MANUAL

Alert by circling partner's call and saying "Alert" but don't offer an explanation unless asked (then aim to be concise, yet complete).

DON'T ALERT:

- Any double or redouble.
- Any call beyond 3NT, except a conventional opening bid
- A bid of a suit *bid* or *shown* by an opponent.
- Any 2♣ response to a 1NT opening bid in an uncontested auction (e.g. *Stayman*)
- Any Jump Raise in a contested auction.

For our New Zealand players, we do **NOT** use STOP Cards

DO ALERT:

All other conventional calls (such as Transfers, 2♥=hearts and a minor)

'Unusual' natural bids. These include: weak jump shift responses, pre-emptive jump raises (but only in uncontested auctions), inverted minors, canapé tendency, negative free bids, transfer accepts that deny four trumps, etc.

At the end of the auction, the declaring side should mark any unusual calls that weren't alerted at the time. Do this with a plus sign (+).

IF PARTNER STUFFS UP

Declarer/Dummy: If partner fails to alert or provides a wrong or misleading explanation, you should wait until the **end of the auction** before calling the Director and correcting.

Defenders: wait until the **end of the hand** before piping up.

BBO

THE BBO liaison Officer is Ray Ellaway. Open Finals will be the only matches on BBO. BBO will only be available if operators come forward to assist.

BRIDGE MATES

If you have never used the Bridgemate Scoring Units we suggest you arrive a few minutes before your first session and ask a Director for a quick tutorial. We are confident that your opponents will also help you to use this user-friendly technology.

BRIDGE MATES II – PLAYER NUMBERS FOR THE TEAMS

During the team events, when you turn on the Bridgemates, you will be asked to enter your player numbers. This is NOT your ABF number. Each player in every team has been assigned a number. These will be found on the bright orange sheet which will be on your table at the start of play. NS at the home table should enter the player numbers for the players in your own team.

The reason for this is that, if done correctly, the scoring team will produce a summary of the results for each pair in your team, comparing their results against the average score across your section on each board (the datum). These results have no official status and are just for your own interest. It is a service we are happy to be able to provide, but to take advantage of it, it is important that the player numbers are accurately entered each round.

Our observations from recent years show that over 90% of teams sit in the same seats for the whole event. To simplify the process for entering player numbers for these teams, from Round 2

GOLD COAST CONGRESS INFORMATION MANUAL

onwards if your team is sitting in the same seats as in Round 1, you may just enter “1” for all four players. The unit will display “same as Round 1” as the player names and the system will correctly record the pairs.

CADDY NOTES AND INSTRUCTIONS

2023 Caddy Dates are Sunday 19th February to Saturday 25th February – 2 sessions each day except the last Saturday where there is one. Some will be asked to work Saturday 18th February and some will work different sessions than others, some will only be asked to work for three days (our busiest days). We are, however, conscious of family connections and car travelling.

Caddy Notes and Instructions

PLAYERS ARE NOT ALLOWED TO USE THEIR MOBILE PHONES DURING SESSION TIMES. STAFF ARE NOT ALLOWED MOBILE PHONES AND THAT MEANS **CADDYS ARE NOT ALLOWED MOBILE PHONES FOR ANY REASON.** Prue (Operations Manager), the Bridge Administration Office or the Congress's coffee shop (in the foyer) will look after your phone if you are expecting urgent calls.

CADDYS ARE NOT ALLOWED TO HAVE EARPHONES IN THEIR EARS FOR ANY REASON as they need to be listening for caddy calls.

A good caddy is one whose section never needs to call for a caddy as **WE LIKE PROACTIVE CADDYS.** A proactive caddy is one who regularly patrols their section recognising fast tables and rather than have them call you, you have boards ready to go on their table.

FEEL FREE TO BRING A BOOK however do not get immersed in the book as a good caddy is proactive caddy. There is always something to do so if you are bored and you have not brought reading materials, ask your floor manager for jobs.

DO NOT LEAVE THE FLOOR FOR ANY REASON WITHOUT YOUR FLOOR MANAGER BEING ADVISED including toilet visit or coming out to the Admin Office to see me.

CADDIES CAN BE SEEN BUT NOT HEARD. YOU MUST NOT SPEAK TO A PLAYER UNLESS YOU ARE SPOKEN TO FIRST. DO NOT DISTURB THEM FOR ANY REASON

Clothing - Caddy attire includes a Shirt (Purple colour) provided by me and it is to be worn during the bridge session. The shirt provided is to be handed in at the end of the day for washing and a

GOLD COAST CONGRESS INFORMATION MANUAL

different shirt will be issued the following day. It is strongly recommended that you wear long shorts/pants (rather than skirt or dress) and enclosed shoes. Short Shorts or Skirts are not appropriate – **all clothing MUST be at least halfway down the thigh**. ALL caddies MUST wear covered in **comfortable enclosed shoes** throughout the whole week – runners are perfect. Walking around in bare feet is not allowed – thongs are not considered appropriate and there is a lot of walking. **Caddys will be sent home if they are dressed INAPPROPRIATELY.**

Hours - You will need to arrive half an hour before a session especially your first one. Your allocated Floor Manager will advise of starting times. **PLEASE DON'T BE LATE!**

Caddy Bags - At the start of the event you will receive a caddy bag which carries what the players may need - system cards, pens and bidding pads. Spare Scoring Booklets for the Event you are caddying should be added to your bag. You will need to have your caddy bag with you throughout each session – When you start the caddy bags will have the required stationery for the first event except scoring book. After that event it is your responsibility to ensure you have the correct stationery for the players. Managers will explain what the stationery is for each event.

Distributing & Picking Up Boards - Each caddy will be allocated a section and Floor Manager. Your job is to ensure players always have boards to play. Each event has different board allocation requirements. **LISTEN TO YOUR FLOOR MANAGER** as to distribution of boards. The numbers of the boards change but it is your job to hand them in the numerical order as instructed. **IT IS VITAL THAT THE BOARDS GET HANDED OUT CORRECTLY.**

Once the players have finished with their boards you must go and pick up the boards and put them in the correct order in your boxes. A new round within a session cannot commence until all boards have been found.

Caddy Calls - A player will call for a caddy for three reasons (1) when they need a new board or (2) when they need something from your caddy bag or (3) when they need you to fill in as dummy (see elsewhere). When they ask for a new board it is your job to go and find the board they are after. Your Floor Manager will advise you as to where you can get boards from and listen to the players as they usually know which boards they want. Once the players have finished with the board that you have got for them, you will need to return it to the table you took it from. Smokers and Toilet visits are looked after at events with caddys offering to be dummy whilst the player leaves the table. All you have to do is pull the card that the player nominates and turn it after the trick has been played. We will show you, but this is part of the service of being a caddy. However, remember at the end of the session you will not have time to be dummy as there will be lots of caddy calls.

Director Calls –If you realise that the player who is calling for the Director is not being heard, you can assist by standing next to the player and calling for the director yourself.

Turn Overs – At the end of each event, we need to turn the rooms around. The major turnovers are Monday and Thursday. Additional payment for those who are asked to stay behind to assist with set up will be made.

We generally do NOT invite caddies to the dinner dance HOWEVER if you wish to attend please see me and if there is a vacancy I am more than happy to give you a ticket, but this will be at very late notice.

BRING YOUR LUNCH On most days you will not have time to go home or across the road between the sessions to get something to eat and we do not supply meals on any of the days, please be prepared. There is a snack bar at the Centre which is costly. Please bring your own food or there

GOLD COAST CONGRESS INFORMATION MANUAL

are snack food stores across the way, but you may not have time to access these. We will have a fridge for staff use and we will advise their location once you start.

Caddies usually come back for a second go so it is enjoyable especially if you do the right thing by your floor manager.

Please note – do not bring any expensive items on to the premises as there is nowhere to store valuables when you are busy. I am contactable throughout the whole congress – if you have any problems, **my number is 0412064903** - Kim Ellaway, Manager.

CORRECTION OF SCORES

Scoring Area Phone Number is 0456 587 765 – accepts text messages only

After each session, a printout of the results for each pair or team will be made available. For the last session of a stage of an event, you may obtain a copy on request from the Scoring Enquiries Desk – located in the Administration Office during the pairs and outside the playing area thereafter.

If you believe that there is a mistake, you need to follow this procedure:

1. on the board where you believe that there was an error, agree with your opponents that the score was entered incorrectly;
2. make the correction on your printout and have them sign it;
3. give the corrected printout to the Scoring Liaison Officer, Toni Bardon, under the sign “SCORING ENQUIRIES” next to the Scoring Room. She will check that you have provided all the necessary information. The correction will be made by the scorers during the following session and a new personal printout will be made available for you to collect.

Agreed scoring errors need to be advised within the scoring correction period for the session in which the error occurred. The scoring correction periods are displayed prominently near the scoreboards. At the conclusion of the scoring correction period, scores become final and, under the Laws of Bridge, no further changes can be made. **This is critical for the last rounds when the correction period is limited, and scorers may not pick up anomalies. You are responsible for your own actions - or lack thereof.**

The Scoring team may be advised of potential scoring errors via text to 0456-587-765 (receives texts only). Include the following information: Event, Session/Match, Pair number, Board number, Contract, Declarer, Score, What you believe is correct. The scoring team has a protocol to follow to determine if a result is manifestly wrong. If it is not accepted or if the error relates to the number of tricks taken, you will need to obtain written confirmation from your opponents as described above.

COURTESY BUS

The Gold Coast Congress Bus will pick up and return visiting players who are residing within a reasonable distance from the Gold Coast Convention Centre. No pickup from The Star Gold Coast or Freshwater Point Resort.

The bus service is mainly for those who need the service. To make pre-bookings – contact Barry on 0418 747 078 and advise your location so he is aware when driving the loop.

DROP-IN PAIRS

Pairs of players defeated in the Open Teams Round-of-4 will be permitted to enter the Ivy Dahler Pairs commencing in Round 4 subject to the following conditions:

- only players who were in teams defeated in the Round-of-4 will be allowed to enter, but partnerships may be from different teams
- only an even number of entries will be accepted (i.e. 2 pairs, 4 pairs, etc)
- full entry fee will be payable
- entry for pairs must be submitted and paid for at Bridge Administration Desk by 1.00pm
- drop-in pairs will be randomly assigned to either the NS or EW field and will be randomly drawn against each other in Round 4
- drop-in scores will be assigned according to the formula described in the Appendices

DROP-IN SCORES - From the Appendices

Drop-in scores for pairs entering the Ivy Dahler Butler Swiss Pairs - Open in Round 4

Assuming an original entry of n tables, pairs entering at Round 4 will be assigned a VP score, x (rounded to 2 decimal places), equal to the greater of:

- i) the average score of the top n/10 (rounded up) pairs at the conclusion of Round 3; and
- ii) the leader's score at the conclusion of Round 3 minus 10.5.

Scores for NS and EW drop-in pairs will be calculated separately.

Such pairs will be assigned an IMP score for each of Matches 1-3 as nearly equivalent as possible to the IMP score which would convert to x/3 VPs.

SYSTEMS AND SYSTEM CARDS

[System regulations](#) are published on the GCC MyABF website after 1 January 2023.

Each pair is required to have two current ABF approved, systemically identical system cards on the table for the opposing pair before the start of each round. Overseas players will be permitted to use New Zealand and WBF system cards in addition to ABF cards. ABF system cards and guide to completing them are available at this site: <http://www.abf.com.au/member-services/system-cards/>.

GREEN and BLUE systems are permitted without restriction.

RED systems and BROWN STICKER conventions are permitted in all events except for **Restricted and Novice Pairs and Teams Championships**, all **0-50 Masterpoint events**, **Rookie Pairs**, **Friday Novice Pairs** and **Restricted Butler Swiss Pairs**. In addition, in these events, the CTD may also further restrict a pair from playing any method which the director judges may not be readily understood by a significant proportion of players in the field.

Eligible pairs may claim Protected Pair status in all events with the exception of the major Final of the **Open Pairs Championship**.

Provided the required system submission (detailed below) has been complied with, YELLOW systems will be allowed in the **Open Teams Championship** from Round 3 onwards. They may not be played against a contestant with a current position in the lower two-thirds of the field (decimals rounded up).

Pairs intending to play a YELLOW system must provide the Tournament Organiser with an adequately completed ABF Standard system card and a bona fide defence before 10.00am on February 6, 2023.

GOLD COAST CONGRESS INFORMATION MANUAL
ZEPHYR FOUNDATION (2023 GCC Charity)

My name is Carmel Martin, a co-founder of Zephyr Education and its treasurer. For the few who don't know, Zephyr helps those affected by domestic and family violence to resume their education – usually within 24 to 48 hours of receiving a request for assistance.

We provide (mostly) children in Domestic Violence shelters, Family Service organisations and outreach services with some or all of their school needs - as and when required – on approval only, which approval is frugally and carefully assessed. We don't pay into any private accounts and often pay directly to the school. The range of what Zephyr pays for includes: The full book list specific to the child's year and school; full uniform including shoes, socks, hats; swimwear; lunchbox and water bottle; resource fees, iPads and laptops - an expensive, yet indispensable learning tool.

Our aim is solely to have that child, the saddest and most vulnerable victims of domestic violence, look like every other school child, so they do not feel out of place, nor appear less valuable than others, nor attract the eye of a potential bully and in the hope that they can resume their education successfully.

Our strong belief is that education is the only way through this scourge of violence that touches so many. My friend, Bill Morgan said that Zephyr resonated with him because it brought to mind his grandfather's words that you owed your children two things – a good upbringing and an education – the rest was up to them. Zephyr can't do much about their upbringing, but we can certainly make the possibility of being educated, a reality for the children who come into Zephyr's orbit - from those tiny preppies to big kids needing size 12 shoes.

This is the tenth year Zephyr has been in operation and the bridge community has been right beside us from the very beginning starting with my home club QCBC. The wider bridge community continues to support Zephyr with club charity days and individual donations. The QBA again has Zephyr as its charity at the 2023 Gold Coast Congress. The value of this exposure is incalculable, and I can't begin to thank you for the support you give us.

When my sister Isabella – Zephyr's president, promised to stop registering shelters once we reached the magic number of 25, she lied!

We now support 128 in QLD, 12 in Tasmania, 24 in WA, 5 in NSW, 1 in Darwin and three in the ACT – that's 170 domestic and family violence shelters and outreach organisations.

Last financial year we spent \$560,000 providing support. This represented an increase of 19% on the previous year. For the 6 weeks from 1 December 2022 we had spent \$190,000 - \$87,000 of which was on uniforms, and we distributed over 100 laptops in that period. We know that Zephyr now supports more than 3000 children each year. We receive no government funding and yet Zephyr has become an acknowledged game changer in the sector.

We don't meet the children we help nor their mothers, but from the emails received from the managers of the organisations we support, it's plain that Zephyr's role is vital, and, often enough, life changing. One wrote:

'Thank you so much Zephyr for the work that you do... It is an absolute privilege to be able to give a Zephyr laptop to this young person who has had such a tough few years, it will truly make her Christmas and it's all because of the work you do.'

I hope you know what a massive impact your work has on the families we support. Giving young people the uniforms and supplies they need to attend school enables them to have a level playing field, build their confidence, self-esteem and opportunity to receive an education and create friendships that can be life changing. Our mums are truly grateful that they do not have to worry that their children are starting school with obvious deficits and they can focus on rebuilding their ruptured relationships... I am witnessing it and it's fantastic...thank you!'

And another:

'As always, I am so grateful for the support you provide our families! You should have seen this little boy on his first day of school with his uniform and books ready to go. Instead of being stressed his mum was able to relax and enjoy watching her baby start school. Your support has a huge impact on the lives of women and children and we can't thank you enough!'

Another said this to us:

'Just a brief line Isabella to thank you so much for meeting our request this morning and so promptly too. We are left breathless by the abilities and generosity of Zephyr. Please thank your team.'

'I often wonder what alternative options our families would have if it was not for Zephyr Education as there is very limited support available. As a service that works with the most vulnerable families, we are extremely grateful to be in a position where we can advocate (not have to beg) on behalf of our clients.'

And this:

Thanks Barb, for everything. Kelsey, Isabella and yourself have been amazing. Myself and the family have been very grateful. Wish you could have been there to see the smile of the youngest girl when she tried on her uniforms. I hope you could feel it though, I'm sure it beamed all around the world.'

As they say, praise is worth more coming from others and these quotes provide an insight into exactly what you are helping to achieve.

Our focus is, and always has been, on the children and their education. We assist the carers of all children who fall within our scope, including Mothers, Fathers, Grandparents, foster carers and guardians.

Zephyr continues to be supported by a growing number, (over 40), talented and dedicated volunteers. We are ALL Volunteers. No one receives any remuneration or allowances for their work. We operate from rent free premises and last year our unavoidable expenses, such as insurance, amounted to 1.9% of donations making virtually all of your tax deductible donation work for our cause.

GOLD COAST CONGRESS INFORMATION MANUAL

We weren't looking for something to do – we stumbled on the need and thought we could do something. You've all got behind us and huge numbers of children have felt less alone and a little more loved.

If you would like to make a donation, we will be rattling collection boxes and have eftpos machines on hand. Kim Ellaway in the main office has kindly volunteered to accept donations as well.

All donations are tax deductible and for those of you who may wish to donate by bank transfer – Zephyr's bank account details are:

Lastly, have a safe, brilliant congress. We're so lucky to have this fabulous game in our lives - non bridge players have no idea what they're missing.

Thank you all from the bottom of my heart.
